## ENVOI | Portable Battery Powered PA System

2 WAY

Perfect for entertainment events and public speaking engagements, this compact, easily-transportable system solves the dilemma of amplifying voices and music to a large audience when there is no access to AC power.

Envoy is completely wireless, with up to 12 hours of battery life per charge. It features a hand-held wireless microphone for mobility and even a Bluetooth receiver allowing users to stream music right from their smartphone or tablet. In addition, a fully-featured built-in MP3 player can handle any playback files stored on SD card or USB thumb drive for total BYOD compatibility.

Envoy's superior crowd-pleasing sound comes from a potent 360-Watt amplifier built around cutting-edge Class D technology. Expertly tuned for speech and music applications, the robust 10" woofer delivers impressive lows while a phase-aligned tweeter sparkles with high-frequency clarity and articulation. From corporate meetings to beachside barbecues, Envoy brings the sound you need to make any event a success.

### Features:

- 2-way active speaker (10" LF driver, 1" HF driver)
- Built-in rechargeable battery provides up to 12 hours of cordless sound
- Includes 16-channel UHF wireless microphone with automatic tuning
- Bluetooth connection for wireless audio streaming
- Built-in USB/SD MP3/WMA Player for unattended playback

### Specifications

- Type: 2 way full-range active speaker
- Power: 120W RMS/AC (240W peak); 80W RMS/DC battery-powered (160W peak)
- LF Driver: 10 inch (254 mm) woofer
- HF Driver: 1 inch (25.4 mm) compression driver
- Frequency Response: 55 Hz - 20 kHz
- USB Port Supported file systems: (FAT16/32); supported file formats: MP3, WMA
- SD Card Slot Supported file systems: Supported file systems: (FAT16/32); supported file formats: MP3, WMA
- Impedance: 4  $\Omega$

### Wireless Microphone:

- UHF Frequency Range: 863 – 865 MHz; 16 channels
- Wireless Mic Power: 2 AA 1.5V batteries
- Wireless Mic Range: 66 ft, 20 m

### Bluetooth Specs:

- Bluetooth Version: Bluetooth 3.0 (backwards compatible)
- Bluetooth Profiles: AVRCP
- Bluetooth Range: 33 ft, 10 m

### Battery Information:

- Battery Type: (2) 12V DC, 5Ah/20Hr lead acid batteries
- Battery Life: Up to 12 hours at half power, 3-4 hours at max power
- Recharge Time: Approximately 10 hours
- Mounting Socket: Standard 35 mm
- Dimensions: 8.4" x 5.7" x 7.4, (21.3 cm x 14.6 cm x 18.8 cm)
- Weight: 7.6 lbs, (3.43 kg)
