

# Ultimate Rotation™ Line

Feel comfortable wherever you are - just direct this versatile complete TV system your way - and prepare to be amazed. Front and back, the **ULTIMATE ROTATION™ LINE** is an elegant complete TV system with harmonious balance of beauty and technology. The ultimate 270 degrees rotation, the slick glass surfaces of the front and back panels, and the **ad notam®** LCD Active Matrix, are all combined to offer you the best picture quality from any angle in your space in the most stylish way possible - the **ULTIMATE ROTATION™ LINE** is sure to turn heads, as well as itself. The **ULTIMATE ROTATION™ LINE** offers a perfect fusion of high-end TV technology and functional furniture design, with easy connection to many medias - all with no visible cables or devices - even your accessories can be stored in the chic base unit. When combined with **ad notam®**'s patent-protected **MAGIC MIRROR®**, the picture area of the **ULTIMATE ROTATION™ LINE** completely disappears when turned off; leaving your environment with nothing but a stylish mirror fixture.
