

IC3

CEILING LOUDSPEAKERS

In-ceiling / In-wall Loudspeaker

PRODUCT OVERVIEW

IC3 is an in-ceiling installation loudspeaker with a great sound performance despite its compact design - halogen light shape. It features a 3" driver, 10 WRMS @ 8 ohm nominal power and 70/100V line transformer with 1,5 / 3 / 6 W power connections. It performs an aluminum grill with a refined frame. Available in white and black.

IC series provide excellent sound quality thanks to their infinite baffle philosophy and a top-performance high frequency transducer.
