

TR25

TROLLEY WITH SMOOTH HEIGHT ADJUSTMENT FOR 42"-55" SCREENS

TR25 is an excellent choice of a 42"-55" screen trolley for users looking for a practical solution that meets the highest expectations. It has been designed to provide comfort during a video conference, speech, or public presentation. TR25 is perfect for professional applications in conference rooms, office rooms and educational facilities. Its ergonomic shape, stable aluminium structure and braked castors make it mobile and allow it to be used practically in any arrangement. The TR25 trolley is equipped with a system that protects the monitor against falling, ensuring safe use. In addition, the integrated cable management system provides smart installation and makes the finished solution look very aesthetic.

FEATURES

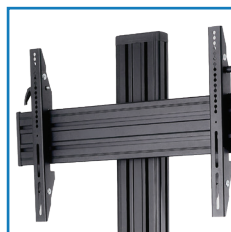

- Stable and durable aluminium structure
- Stepless adjustment of screen height
- Possibility of tilting the screen by 11°
- Simple and quick installation
- Non-marking braked casters
- Integrated cable management system for smart installation
