VCTX255

FLAT SCREEN VIDEO CONFERENCING TROLLEY WITH HEIGHT ADJUSTMENT
FOR TWO 50''-57'' SCREENS

VCTX255 is an excellent choice of a video conference trolley for mounting two 50"-57" screens for users looking for a practical solution that meets the highest expectations. It has been designed to provide comfort during a conference, speech, or public presentation. VCTX255 is perfect for all professional applications in conference rooms, educational facilities or at trade fair stands. Equipping the trolley with a system that protects the monitor against falling guarantees safe use. Braked castors facilitate mobility and enable the trolley to be positioned in the most optimum manner. The built-in storage compartment for AV accessories and shelves for a camera or a decoder ensure comfort of work for the most demanding customers. In addition, the integrated cable management system provides smart installation and makes the finished VCTX255 solution look very aesthetic.

FEATURES

- Fully adjustable height
- Structure that protects the screen against falling
- Equipped with shelves for a camera and a decoder
- Includes storage compartment for AV accessories
- Universal VESA-compliant mounting range
- Integrated cable management system
- Braked castors
